Pilgrim Packages (II) • Key Considerations for Package Pricing

Contribution Levels

- Contribution levels were set with reference to previous WYDs, taking into account the differences in cost of living between the previous host country and Korea, as well as projected inflation from 2023 to 2027
- Adjusted for Korea's cost of living and projected inflation through 2027, the 2023 Portugal contribution level would point to an increase of about 15%. However, in light of the spirit of WYD, the final increase was kept to around 10%

Meal & Accommodation

- Lunch and dinner are included; on the arrival day, only dinner is provided. A meal kit will also be provided for the overnight vigil and closing Mass
- For packages that include accommodation, breakfast is also provided
- Accommodation will be offered through options such as shared lodging, parish halls, homestays...etc

Transportation & Insurance

- The package includes access to public transportation in Seoul, including buses and the subway
- Personal accident insurance and liability insurance are also included

Kit

- The pilgrim kit is expected to be similar in composition to those provided at previous WYDs
